**TWIN PEAKS METROPOLITAN DISTRICT  
2025 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court on January 11, 2013, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District's service area is located entirely within Boulder County, Colorado.

The District was established to provide financing for the design, acquisition, construction, installation, operation and maintenance of public improvements, including streets, water, sewer, safety protection and park and recreation facilities.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenues**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The District has entered into a Redevelopment and Reimbursement Agreement with the Longmont Urban Renewal Authority (Authority), the City of Longmont, and NMMS Twin Peaks (Original Developer) dated January 8, 2013, regarding the incremental revenue generated within the TIF Area (as defined in the Redevelopment and Reimbursement Agreement), as amended by that certain First Amendment to Redevelopment and Reimbursement Agreement, dated October 24, 2023 (RRA). The Original Developer assigned the RRA to NMSS VATP, LLC (New Developer). The RRA provides that in consideration for the District providing financing for public improvements and services, the Authority agrees that the portion of revenues which it receives as a result of ad valorem property tax increments, which are attributable to the District's current and future levy of ad valorem taxes on property within the Development, shall be segregated upon receipt and shall be remitted by the Authority to the District within 20 days of the end of each month.

**TWIN PEAKS METROPOLITAN DISTRICT  
2025 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Revenues - (continued)**

The District's Service Plan (Service Plan) allows the District to assess a mill levy for payment of Authority bond obligations, payment of capital expenditures or debt associated with improvements, and payment of operations and maintenance costs. The Service Plan has a Mill Levy Cap of 50 mills with a required debt service mill levy of 25 mills, to be paid to the Authority pursuant to the terms of the RRA. The required debt service mill levy of 25 mills will terminate upon the repayment of the Authority bonds (see expenditures) and the repayment of any other debt allowed to be issued by the District.

For collection year 2025, the District adopted a mill levy of 25.000 for debt service and 25.000 for contractual obligations. The calculation of the taxes levied is displayed on the Property Tax Summary Information page of the budget.

For property tax collection year 2025, SB22-238, SB 23B-001, SB 24-233, and HB24B-1001 set the assessment rates and actual value reductions as follows:

Category	Rate		Category	Rate		Actual Value Reduction	Amount
Single-Family Residential	6.70%		Agricultural Land	26.40%		Single-Family Residential	\$55,000
Multi-Family Residential	6.70%		Renewable Energy Land	26.40%		Multi-Family Residential	\$55,000
Commercial	27.90%		Vacant Land	27.90%		Commercial	\$30,000
Industrial	27.90%		Personal Property	27.90%		Industrial	\$30,000
Lodging	27.90%		State Assessed	27.90%		Lodging	\$30,000
			Oil & Gas Production	87.50%			

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The District has estimated that its share will equal approximately 4% of the property taxes collected.

**Net Investment Income**

Interest earned on the District's available funds has been estimated based on historical earnings.

**TWIN PEAKS METROPOLITAN DISTRICT  
2025 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Expenditures**

**General and Administrative Expenditures**

General and administrative expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, accounting, insurance, dues and other administrative expenses.

**County Treasurer's Fees**

County Treasurer's fees have been computed at 1.5% of property tax collections.

**Debt Service**

There is no debt amortization schedule provided for the Series 2023 Bonds (Described under Debt and Leases) as the Bonds are cash flow bonds and the timing of the payments are unknown.

**Transfer to Longmont Urban Renewal Authority**

Pursuant to the Service Plan, the District is required to impose a 25.000 debt mill levy and pledge the tax revenues to be generated from such levy to the Authority to assist in financing public improvements constructed within the boundaries of the District, pursuant to the terms of the RRA. This debt mill levy requirement terminates upon repayment of Authority Bonds.

**Capital Outlay**

The District anticipates no infrastructure improvements during 2025.

**Debt and Leases**

**Bond Details**

The District issued Subordinate Limited Tax General Obligation Bonds (Bonds) on December 20, 2023, in the par amount of \$8,117,000 which bear interest at the rate of 9.00% per annum, payable annually on December 1, beginning December 1, 2024, but only to the extent of available Pledged Revenue. The Bonds are structured as cash flow bonds meaning that no scheduled principal payments are due prior to the maturity date of May 1, 2053. The bonds are subject to simple interest and do not compound. Any amounts due and owing on the Bonds after application of all Subordinate Pledged Revenue (defined below) available on May 1, 2053, shall be deemed discharged and no longer outstanding.

**Optional Redemption**

The Bonds are subject to redemption prior to maturity, at the option of the District, as a whole or in integral multiples of \$1,000, on any date, upon payment of par and accrued interest to the redemption date, without redemption premium.

**TWIN PEAKS METROPOLITAN DISTRICT  
2025 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Debt and Leases (Continued)**

**Subordinate Pledged Revenue**

The Bonds are secured by and payable from and to the extent of Subordinate Pledged Revenue meaning the following:

- (a) all Subordinate Property Tax Revenues;
- (b) all Subordinate Specific Ownership Tax Revenues; and
- (c) any other legally available moneys which the District determines, in its absolute discretion, to credit to the Subordinate Bond Fund.

“Subordinate Property Tax Revenues” means all moneys derived from imposition by the District of the Subordinate Required Mill Levy, whether received by the District from the County Treasurer or from the Authority pursuant to the RRA. Subordinate Property Tax Revenues are net of the costs of collection of the County and any tax refunds or abatements authorized by or on behalf of the County.

**Subordinate Required Mill Levy**

The Subordinate Required Mill Levy is an ad valorem mill levy imposed upon all taxable property of the District each year in an amount equal to (i) 50 mills (without adjustment) less the Senior Obligation Mill Levy of 25 mills and the Permitted District O&M Mill Levy Deduction, or (ii) such lesser amount which, if imposed by the District for collection in the succeeding calendar year, would generate Subordinate Property Tax Revenues which, when combined with moneys then on deposit in the Subordinate Bond Fund, will pay the Bonds in full in the year such levy is collected.

**Permitted Annual Operations Amount**

“Permitted District O&M Mill Levy Deduction” means an ad valorem mill levy imposed upon all taxable property of the District each year in an amount sufficient, when combined with the specific ownership tax revenues related to such ad valorem mill levy, to generate revenues resulting therefrom in an amount up to: (a) for fiscal year 2024, \$80,000; and (b) for each fiscal year thereafter, an amount up to (i) the maximum Permitted District O&M Mill Levy Deduction for the prior fiscal year, plus (ii) 2.0% of the maximum Permitted District O&M Mill Levy Deduction for the prior fiscal year.

**Debt and Leases (Continued)**

**Developer Advances**

The District and the Original Developer entered into a Facilities Funding and Acquisition Agreement on October 16, 2014, with an effective date of January 11, 2013, as amended by that certain First Amendment to Facilities Funding and Acquisition Agreement effective January 1, 2015 (FFAA). Pursuant to the FFAA, the Original Developer agreed to advance funds to the District for the purpose of funding the construction and or acquisition of the District improvements and the District agreed to reimburse the Original Developer for such costs. The FFAA was terminated as of August 21, 2017. The District and the New Developer entered into a Funding Reimbursement Agreement (Funding Agreement) whereby the District and the New Developer acknowledged the amounts outstanding under the FFAA and agreed to the terms of the District's reimbursement of the same to the New Developer. Interest will accrue in the amount outstanding at a rate of 8% per annum.

Per the Funding Agreement, no payment shall be required of the District unless and until the District issues bonds in an amount sufficient to reimburse the New Developer for all or a portion of the amount outstanding under the FFAA. The District agrees to exercise reasonable efforts to issue bonds to reimburse the New Developer. The District agrees to utilize any available moneys not otherwise pledged to payment of bonds, used for operation and maintenance expenses, or otherwise encumbered, to reimburse the New Developer. The making of any reimbursement shall be at all times subject to annual appropriation by the District.

Upon the issuance of the Series 2023 Bonds on December 20, 2023, the District fully paid all amounts due to the New Developer and the Funding Agreement expired.

The District has no operating or capital leases.
